U.S. Serial No 10/528,917 Docket No. MAX 02.01 CIP Amendment B Under Rule 116

REMARKS

Claims 1, 70, 101 and 103 have been amended to clarify the invention, and to better define the invention over the prior art. No new matter has been entered by any of the foregoing amendments.

In the Office Action, claim 107 has been preliminarily rejected under 35 U.S.C. § 112, for insufficient antecedent basis. Claim 107 has been amended to depend from claim 106, the language of which provides sufficient antecedent basis for the language of claim 107.

The remaining rejected claims have been amended to include language identified by the Examiner as allowable. Claim 1 has been amended to include the allowable subject matter of claim 101. Claim 70 has been amended to include the allowable subject matter of claim 89 and claim 89 has been cancelled. Claims 101 and 103 have been amended to depend from claim 70.

The foregoing amendment makes no claim changes that would require further search by the Examiner. Accordingly, entry of the foregoing Amendment is respectfully requested.

Having dealt with all the objections raised by the Examiner, the Application is believed to be in order for allowance.

In the event there are any fee deficiencies or additional fees are payable, please charge them (or credit any overpayment) to our Deposit Account Number 08-1391.
